

## **Shear Tech DS-6500/6600 Warranty Information**

### **Six (6) Month Limited Warranty**

The Shear Tech DS-6500/6600 Document Sequencer comes with a warranty against manufacturer defect or failure for a period of six (6) month from the date of original invoice. This warranty covers parts and labor. Damages incurred in shipping the products from Shear Tech to customer are also included in this warranty.

### **Shipping Costs**

Customer agrees to pay shipping expenses to the manufacturer's designated facility, and Shear Tech pays shipping back to the customer. All repaired products are shipped UPS Ground unless a rush is requested. The cost of shipping other than UPS Ground is to be paid by the customer.

### **Warranty Procedure**

We suggest you contact our technical support team or your local Shear Tech authorized dealer first to determine whether the item is indeed defective before shipping.

### **Exclusions**

Shear Tech does not warrant damage due to external causes including, but not limited to, accident, improper or careless handling, unauthorized modifications, problems with electrical power, adverse environmental conditions, usage not in accordance with intended purpose of product, and failures caused by use of parts and components not supplied by Shear Tech or an official authorized Shear Tech dealer.

Altering or removal of the serial number voids this warranty.

### **Limitation of Liability**

Shear Tech does not accept liability beyond the remedies set forth herein, including but not limited to any liability for product malfunction, physical injury or property damage, products not being available for use or for lost or corrupted data. Shear Tech is not liable for lost profits, lost business, or other consequential punitive damages. Under no circumstances is Shear Tech liable for any third-party claims against its customers.
